Packing Workbench # 7

Packing Workbenches

72" x 30" - 1-3/4" Plastic Laminate Top

Bench Top

1 3/4" Thick Plastic Laminate

Constructed with (2) 3/4" layers of 45# partical board that are laminated together, this table has exceptional support. All 1 3/4" thick tops have laminated sides and square corners (unless custom). We use our standard plastic laminate on the top and sides and seal the bottom to keep out moisture.

The standard colors available are white and gray, other colors are available for an up-charge. Please call us interested in other laminate colors.

Description

This packing workstation is geared towards applications needing the overhead lockable cabinet for storage of particular items. This workstation also includes the half with melamine pegboard, rear backplate with (4) outlet strip, fluorescent light fixture, full depth bottom shelf and a flat screen monitor shelf with angled tray, and (5" h x 16" l x 14" w) roller bearing drawer.
