Description

The above top sorter unit is available on all of our workbenches. The sorter unit will mount onto any of our overhead structures and adjust in height on these uprights. The sorter shelf is a great place to store and organize items with the adjustable shelves able to be reconfigured at any time. The sorter unit shown is for 60" and 72" wide benches; units for 48" wide benches will be 12" shorter and have (4) cubbies
