

# 3500 Series Workbench

## Fixed Work Height

## 72" x 30" - 1-3/4" Plastic Laminate Top

### Bench Top

#### 1 3/4" Thick Plastic Laminate

Constructed with (2) 3/4" layers of 45# partical board that are laminated together, this table has exceptional support. All 1 3/4" thick tops have laminated sides and square corners (unless custom). We use our standard plastic laminate on the top and sides and seal the bottom to keep out moisture.

The standard colors available are white and gray, other colors are available for an up-charge. Please call us interested in other laminate colors.

### Description

#### 3500 Series Workbench (Fixed Height)

The most basic line of industrial workbenches, the 3500 Series table is handcrafted using 14-gauge steel with a weight capacity of 3500 pounds (evenly distributed). With 12 top options to choose from and an array of accessories, the 3500 Series workbench can be configured multiple ways to suit your specific applications requirement.
